## HEAD COACH TY HARDIN

Ty Hardin enters his fourth season at the helm of the Golden Wave. He was announced as Tupelo High School's 27th head football coach on May 5th, 2020.

Hardin previously held the head coach position from 2016-2019 for the (3A, now 4A) Houston Hilltoppers, the school he graduated from. There Hardin amassed a 37-14 record over four seasons and helped Houston claim their second division championship in program history in 2018. While at Houston, Coach Hardin won 73% of their district games.

Coach Hardin was hired in the middle of the COVID-19 pandemic and despite those challenges, led the Golden Wave to a 6-5 record and a playoff berth in his first season. Unfortunately, the Golden Wave were forced to forfeit their first round game against Warren Central due to COVID-19.

His second season began with the Golden Wave firing out to a 5-0 start before finishing the season 7-4 without clinching a playoff bid. 2 of Tupelo's four losses came by 7 points or fewer.

Year three under Hardin, the Golden Wave went undefeated in the regular season, clinching their first division title since 2017. Tupelo finished the season 13-1 after falling to Starkville 42-31 in the State Semifinal. It was the first time since 2013 that Tupelo had won 13 games in a season. The 2022 squad spent a large amount of the season ranked #1 in the state and set school records for points in a season (491), total yards (4,840) passing yards (2,482), passing TDs (36). The defense was stellar, allowing just 6.9 ppg, 3.0 yds/play, 93% drive stop rate, and holding opponents to a paltry 39% pass completion rate.
